

## Fun for a Cause – World's Greatest Shave

Malanda State Highschool has been a proud participant in the Leukemia foundations World's Greatest Shave for many years, 2025 is no different.

18 students have bravely put their hands up to either cut or completely shave their hair on June 12<sup>th</sup> to raise money and awareness for cancer research.

MSHS is dedicated to being a part of positive change, to promote research that improves survival rates of our fellow Australians and show our solidarity for the 35 Aussies that are diagnosed with a blood cancer each day.

On **Wednesday 11<sup>th</sup> June** show your support and come dressed in bright colours and get your hair coloured – **cost will be a gold coin donation**. The hair colouring will occur at the undercover area outside the tuckshop.

On **Thursday 12<sup>th</sup> June**, the total amount raised for the Leukemia foundation will be announced, and some of our students will say goodbye to their locks for this great cause.

Please see below the students who are participating and consider donating to the incredible cause.

Together, we can make a difference.
